

What is the Home-School Compact?

Our annual Home-School Compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home.

Effective Compacts:

- ☐ Linked to academic achievement goals
- ☐ Focus on student learning
- ☐ Share strategies that staff, parents and students can use
- ☐ Explain how teachers and parents will communicate about student progress.
- ☐ Describe opportunities for parents to observe, volunteer, and participate in the classroom

Jointly Developed

The parents, students and staff work together and share ideas to develop the school-parent compact. Title One Meetings are held at the beginning and at the end of the school year to review and revise the compact based on the school's academic achievement goals and students' needs.

Parents are welcome to provide feedback at any time throughout the school year. All feedback will be collected and reviewed during the annual revision meeting with parents.
